Severe Bunions—Scholl's Bunion Right straightens the toes during the daytime, while you wear Scholl's Bunion Spring at night, which acts as a lever to bring them back into place. Scholl's Bunion Reducer is a shield of antiseptic rubber, which takes the pressure off the enlarged joint and reduces the inflammation.

Calluses on Soles of Feet—Scholl's Anterior Metatarsal Arch Support holds up the transverse arch of the foot, relieves callouses, metatarsalgia and Morton's Toe. Absorb Callous Pads relieve pressure and stop the pain.
